

News from Caroline Furnace Lutheran Camp:

Summer Camp Registration is ready to start!

January 12th we will begin accepting registrations for the 2010 Summer Camp program.

Registrations may be made online, through the mail or by fax. We had several camps fill up fast last year, so check your summer calendar and start making plans today to join us for a week of fun, Christian community, songs and campfires.

Parents, you can come, too! **Family Camp** is July 11-16, 2010. It's a week of activities designed to relax your person, re-energize your spirit and re-strengthen your family bonds. You live in a cabin and we offer daily Bible studies, a variety of activities to choose from and time to enjoy just being together.

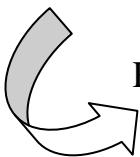

Our **Explorer Camps** offer a unique option to young campers and their parents. You can sign up for a ½ week option that begins on Sunday and concludes on Wednesday. The **OPTION** is that we will call you on Tuesday and let you know how your child is doing. We will have spoken with them and their counselor and **YOU** will decide if you want your child to come home on Wednesday or to stay the full week until Friday. Many campers and parents who are unsure about overnight camp like having this option open to them.

There is a new twist to the **Performing Arts Camps**. We are offering a Travel PerArts Camp that will stay Sunday to Sunday and will spend the end of their camp performing their show at area congregations.

Visit our Website for more information at

www.CarolineFurnace.org

or give us a call at 540-933-6266.

Remember, registrations begin on Tuesday, January 12, 2010.

Happy New Year!!
